NATIONAL PRESIDENT MESSAGE

**“If you're walking down the right path and you're willing to keep walking,
eventually you'll make progress.”**

— Barack Obama

Fellow Leaders,

Time flies—and just like that, we’ve arrived at the halfway mark of our term. I would like to extend my heartiest congratulations to your team for continuing this meaningful initiative by releasing the second newsletter of the year, reflecting the accomplishments and energy of your second quarter.

2025 JCI MALAYSIA PRESIDENT
TAN WEI JIAN

At the national level, I’ve had the immense privilege of traveling across the country, meeting members both seasoned and new. These interactions have been energizing. It is incredibly heartening to see the enthusiasm, optimism, and dedication that our members bring to their JCI journey. This is precisely why our National Organization encourages Local Organizations to produce newsletters—not merely as a communication tool, but as a dynamic platform for sharing knowledge, inspiring action, and empowering youth.

Through carefully curated content and thoughtful presentation, your newsletter creates a space where ideas thrive, voices are amplified, and members stay informed, engaged, and inspired. This effort truly exemplifies what it means to lead: to spark action, to shape better leaders, and to build a more connected and purpose-driven community.

JCI Malaysia is proud to support and celebrate your journey. We recognize the effort, creativity, and heart poured into each edition—and we are excited to witness the growing influence your publication will have within your chapter and beyond.
Keep up the outstanding work. May each future edition raise the bar, ignite new ideas, and continue to strengthen the JCI spirit.

With warmest regards,

JCI Senator Tan Wei Jian
2025 JCI Malaysia President

NATIONAL VICE PRESIDENT MESSAGE

Dear JCI Kuala Lumpur Members, Partners, and Friends,

My warmest greeting to you!

Heartfelt congratulations on an amazing first half of 2025! Under the empowering theme "Empower To Lead, Inspire To Succeed," JCI Kuala Lumpur has once again proven its strength, passion and a never-give-up spirit.

Winning the title of Overall Champion at the JCI Malaysia Area Central Convention is a big success, a result of your strong spirit, hard work, and clear goals. This is more than just a trophy. It proves that JCI is a great platform to grow leaders, giving young people the chance to speak up, lead projects, solve problems, and build confidence.

JCI KUALA LUMPUR PRESIDENT MESSAGE

Dear JCI Kuala Lumpur Members,

As we wrap up an exciting second quarter, I want to express my heartfelt gratitude to all of you for your dedication and passion. This quarter has been a remarkable one—JCI Kuala Lumpur was proudly crowned the Overall Champion at the Area Central Convention 2025, bringing home a total of 36 awards!

This achievement would not have been possible without the relentless efforts of our Board of Directors, the unwavering guidance of our Past Presidents, and the full support of every member. You are the reason behind this success.

JCIKL also made history as the largest delegation at Area Central Convention, APICC 2025, and ASPAC Mongolia 2025. Our presence was not just in numbers, but in impact. At ASPAC, we proudly supported JCI Malaysia and our sister chapter JCI Ulaanbaatar. It was an enriching experience filled with learning, cultural exchange, and unforgettable memories.

As we move forward, let's continue to embrace our 2025 theme — "Empower to Lead, Inspire to Succeed." Together, I believe we can take JCIKL to greater heights.
Let's continue growing, leading, and making an impact—together.

Yours in service,

Yap Shin Loong
2025 Local President

JCI RISE

JCI RISE and the UN SDGs share a common goal:

building a better future for everyone.

Mental Health Awareness

For a productive and innovative workforce, we need to destigmatize discussions around mental health and create comprehensive strategies to care for our emotional wellbeing. With this initiative we focus on improving understanding of mental health conditions and increasing access to much needed healthcare. As the World Health Organization states, "there is no health without mental health."

Workforce Empowerment

It can be hard to stay engaged and motivated in an uncertain environment. But it's still important to do all we can to fight youth unemployment, encourage entrepreneurship and enable professional reskilling.

Business Recovery

When we work together to sustain and rebuild businesses and economies, we're impacting lives and livelihoods. It's time to look at the way we do business - time to rethink and adapt to make it more ethical and sustainable for the next generation.
